

PHILIP YACHMETZ

Partner

pyachmetz@outsidegc.com

Philip Yachmetz has over 30 years of experience leveraging his legal skills and business acumen as both Chief Legal Officer and business advisor and executive to companies of all sizes in the public and private sectors of the life sciences and healthcare industries. As an accomplished and business focused attorney, with a broad-based background anchored in complex transactions, corporate governance and business development, he applies a results focused approach utilizing his exceptional analytical skills and operational acumen, vision, and tenacity to produce the desired bottom-line results.

Philip has a reputation for his hands on approach to understanding client's businesses and needs and excels at identifying and implementing creative solutions to complex business challenges. He has effectively shepherded companies through critical inflection points in their development and operations, including working with distressed companies undergoing restructuring and turn arounds.

Philip regularly works with clients on commercial agreements and transactions, M&A and licensing transactions, public offerings and private placement of equity and debt transactions, debt restructuring transactions; management of complex multi-party litigation, management of diverse intellectual property portfolios, employment and labor matters, as well as day-to-day legal issues related to operations. In addition to his legal experience, Philip has a wealth of experience assisting clients with strategic business planning, development and restructuring, investor and public relations and risk management matters.
